The more serious problem is a lack of systematic thinking prior to the writing. You can use a store bought bread mix and follow the directions on the box. The machine can make 1.5 lb loaf or up to 2 lb. Bake time is 4 hours and 10 min for Country White Bread in Basic Mod setting. If you want to have bread ready in time for dinner, start the machine at 1230 pm and bread should be done close to 5 pm. The timer will buzz on the machine when it is done and you remove the loaf pan, let it cool for a min and remove the loaf on a cutting board. You can make your own mix, with the recipe in the manual.
