The name Case is used by several brands owned by the company Later the company received worldwide recognition as the first manufacturer of steam engines for use in agriculture and, eventually, developed into the largest producer of steam engines. Actual breakthrough Case into the mechanical engineering industry for construction work took place after World War II. Case company by the number of built and sold backhoe loaders is the undisputed leader in sales, having produced over 700 thousand units for all years. By the mid1990s, Case had grown to such an extent that it became a world producer of light and mediumsized construction equipment. In 1999, the merger of Case and New Holland into CNH Global, which produced equipment for world trade marks of construction and agricultural equipment, took place. Well assume youre ok with this, but you can optout if you wish. This complete PDF service manual covers OEM service procedures for the Case IH MX 180, 200, 220, 240, 270 Magnum tractors.
